2017 Palmer Rockarama "Crystal and Craft Fair" **Friday 5th, Saturday 6th May & Sunday 7th May 2017**

Also featuring

South Australian Metal Detecting Championships **Sunday 7th May 2017**

The Palmer Rockarama "Crystal and Craft Fair" is on again at Collier Park, Palmer, South Australia.

This weekend promises to live up to past 'Palmerama Rockaramas' with a weekend full of fun, traders of all varieties including 'gem and minerals', crystals, bric-a-brac, cakes, jams, food stalls, and plants.

There will be something for everyone with evening entertainment and an auction as one of the highlights of the weekend.

Another highlight will be the 'South Australian Metal Detecting Championships' to be held on Sunday 7th May, 2017. We are again indebted to our sponsors who provide the valuable prizes for the championship.

The weekend is catered by local community groups and members of the Murraylands Gem & Mineral Club.

We enclose two applications: 'Application for Trading/Campsite at the 2017 Palmer Rockarama' and a South Australian Metal Detecting 'Competition Entry Form'.

Book early to avoid disappointment as sites fill quickly.

We look forward to seeing you and please have a safe journey to the Palmer Rockarama weekend.
